NEW LIVING FAITH CHRISTIAN ACADEMY SCHOLARSHIP FUND HELPS DESERVING YOUTH IN UNDERSERVED COMMUNITIES

CHERRY HILL, NJ – October 15, 2009 – Living Faith Christian Academy (LFCA) has established a new scholarship fund to provide less fortunate children with tuition assistance and an opportunity to receive a quality education in a Christian environment.

The Dr. Lamont D. McLean Scholarship Award, named in honor of the late founder and Pastor of Living Faith Christian Center in Pennsauken, New Jersey, was introduced by LFCA (booth #210) at the Christian Chamber of Commerce Marketplace Expo, taking place today at the Crowne Plaza Hotel in Cherry Hill, NJ.

Through fundraisers and partnerships with various businesses in the community, thousands of dollars have been raised to support the program. These efforts will enable LFCA to offer several full scholarships for the 2009-10 academic school year.

"The heart of Dr. Lamont was to reach children before losing them to the world of drugs, gangs, illiteracy and poverty," said Gail Lewis, Principal of LFCA. "We strive to touch the lives of every child that walks through our doors, helping them become productive citizens, ready and capable to positively impact their communities and the world."

Each year, LFCA continues to advance its mission of providing the highest standard of intellectual and spiritual learning. The Academy offers a Christ-centered, balanced and rigorous curriculum that helps to develop a well rounded child spiritually, academically and physically. Small class sizes allow for individualized attention and create a safe, supportive and nurturing environment. LFCA students receive spiritual instruction through weekly chapels and demonstrate leadership skills through community service projects.

LFCA will host several open houses in 2010 for parents and children: February 25th, May 13th and July 29th. We welcome the opportunity to serve you. Please visit www.lfcanj.com for open house times and more information.

About Living Faith Christian Academy

The mission of Living Faith Christian Academy (LFCA) is to cultivate hearts and minds for leadership and lifelong service to our Lord and Savior Jesus Christ. LFCA is conveniently located near Cooper River Park in Cherry Hill, NJ. Our private school educates children from grades K-8th. For more information about LFCA, please call us at (856) 665-5507 or visit www.lfcanj.com.
